

Celebrating EyeCare America’s 25<sup>th</sup> Anniversary

Thank you for your interest in EyeCare America. We are proud of our 7,000 volunteer ophthalmologists who over the last 25 years have helped us serve more than one million people. We know that most practicing ophthalmologists in the U.S. would like to support or volunteer for EyeCare America. However, not all ophthalmologists are able to see EyeCare America patients for one reason or another. This form is for those unable to see EyeCare America patients to choose how they would like to help. Please complete the form below and email [pubserv@aao.org](mailto:pubserv@aao.org) or fax it back to 415-561-8567.

**I am an ophthalmologist who is NOT currently able to see EyeCare America patients because:**

- I am employed by an HMO
- I work for the Veterans Administration
- I am retired
- My Practice billing department will not allow waiving of co-payments (even though this is allowed by Medicare for EyeCare America patients)
- I do not provide comprehensive eye exams
- I do not see adult patients
- Other: \_\_\_\_\_  
(If “Other” please specify reason)

**I would like to support EyeCare America in one or all of the following ways:**

*(Select all that apply)*

- Send letters-to-the-editor or press releases (templates provided by ECA)
- Distribute ECA material (specify how many)
  - o Risk factor cards:  25  50  75  100
  - o Program Brochures:  25  50  75  100
  - o Tribute for Sight donation brochures:  25  50  75  100
- Send letters to my elected officials (templates provided by ECA)
- Speak on behalf of EyeCare America (Power Point presentations provided)
- Recruit other ophthalmologists to volunteer or support EyeCare America

Your Name \_\_\_\_\_ AAO ID# \_\_\_\_\_
